### Lost in Translation?

# The Tenth Cardiff Conference on the Theory and Practice of Translation in the Middle Ages

To be hosted by the Université de Lausanne, Lausanne,  
Switzerland

**July 17 – 22, 2007**

We welcome not only papers which address traditional aspects of the translation of texts with reference to any of the classical, Middle Eastern or vernacular languages of the medieval world, but also those which address the modern translation of medieval texts, and those that interpret the idea of translation more broadly, examining the translation of ideas, images, cultural perceptions, or objects of material culture.

Papers may be given in English or in any of the national languages of Switzerland, and should be thirty minutes long. Please send one-page abstracts and brief curriculum vitae by 31 August 2006 to
